Sablor est un ours qui, un jour, fut forc  de quitter sa maison   cause d'une temp te d vastatrice qui approchait. Il fabriqua rapidement un radeau de sauvetage et partit en mer. Or, il ne savait pas nager et tenta de survivre tant bien que mal durant cette nuit de vagues mouvement es. Il se r eveilla le lendemain,  chou  sur une plage inconnue, et rencontra Sabla, une souris pirate qui lui avait port  secours la nuit derni re en lui confectionnant un cache- eil et une tenue de pirate.

Elle lui expliqua qu'il avait atterri   Pirates World et que, pour s'int grer ici, il fallait devenir aussi un pirate. Ainsi, Sablor et Sabla form rent un duo ins parable et explor rent l' le ensemble.

Sablor is a bear who, one day, was forced to leave his home due to an approaching devastating storm. He quickly built a raft and set out to sea. However, he didn't know how to swim and struggled to survive through the stormy night with the rough waves. He woke up the next day, stranded on an unknown beach, and met Sabla, a pirate mouse who had rescued him the night before by making him an eye patch and a pirate outfit. She explained to him that he had landed in Pirates World and that, to fit in here, he needed to become a pirate too. Thus, Sablor and Sabla formed an inseparable duo and explored the island together.
